

Pittwater Animal Hospital

We are your pet's other best friend.

FACT SHEET

Admission Guidelines for Day Surgery or Procedures

Prognosis. Please ask all the questions necessary so that you understand what the procedure is for and the expected outcome.

Cost. Attain an estimate of what you can expect to pay. Sometimes the procedure turns out to be more (or less) involved than we expect, so the total may be higher (or lower). However, our estimate should not vary by more than 20%. If the cost looks to be significantly different, we will try to contact you for permission to continue. If it proves impossible to reach you, we will do what is necessary and keep your expense as low as possible.

Feeding. Give your pet **NO FOOD** after 9.00 pm the evening before surgery. Water can be offered up to 7.00 the morning of surgery.

Toilet. Please see that your pet has been taken outside to relieve itself before admission (unless we need samples of urine and/or faeces).

Hours. Bring your pet to PAH between 8.15 and 9.00 in the morning. Staff are on hand from 8.00 am if an earlier admission time is necessary.

Cages. We can loan cat cages for a fully refundable deposit.

Contact number. Please complete an admission form and ensure that we have your correct details and a phone number where you can be reached during the day.

Cancellation. Please phone to cancel as early as possible if you cannot bring in your pet for its appointment.

Corner of Pittwater Road & Arnott Crescent, Warriewood NSW 2102
