

PITTWATER ANIMAL HOSPITAL

February, 2021

Thank you for all your support of Pittwater Animal Hospital over the tumultuous year of 2020. *The Hospital has worked in various ways throughout the year to make sure we could remain open safely.*

Your endless patience and good humour has been very much appreciated.

2020 was a very busy year for us with some really important changes that we would love you to know about. *(On the second page we have a competition to win a 7-day stay in any room of the Pittwater Vet Cat Hotel.)*

The experienced team and friendly atmosphere remain the same, but there are lots of great new services.

Pittwater Vet Cat Hotel

Pittwater has had a huge expansion of our veterinary cat care. **Your cat can now stay in a variety of accommodations at affordable prices.**

Check out all the options on our website, then you can book directly online. *The booking calculates exactly how much your stay will cost then you can secure booking by paying online.*

It is amazing how many people have found booking very easy and even added pictures of their pets, descriptions of what they like and can change the length of the booking very easily online. ***If this is at all difficult for you, our wonderful reception staff can organise everything over the phone.***

Pittwater Puppy School

During lockdown Louise kindly ran a very informative free puppy club with Zoom lessons for all those COVID puppies. Meanwhile we were creating a new indoor/outdoor puppy training enclosed space.

Since January 2021 Louise has been teaching ten Puppy Classes a week (junior and senior) plus numerous individual sessions. Our small class format, highly experienced teacher and fabulous space has been a great success.

Hospital Expansion

Pittwater now has four consulting rooms and we have needed to really expand our team.

We now have 8 Veterinarians, 7 Nurses, 4 Receptionists, 1 Practice Manager, 1 Puppy Trainer and 5 Part-time staff. (*Between us we have had over 25 Covid 19 tests*).

2020 was hard work so we have had to expand to try to keep waiting times down. We would like to welcome Abbi, Cara, Courtney, Katharine, Dr Lisa Shaw, Dr Lizzie Allen, MacKenzie, Maria, Dr Tanian Naude and Tiana.

We have all pulled together through the adversity of 2020 and created a very dynamic team.

Hot Dog Grooming

The wonderful groomer Kyoko and her team from Waterloo Street in Narrabeen have taken over the southern corner of the building.

They have been offering an excellent service and can be booked over the phone **0416500229**. Look on the website for prices <https://pittwateranimalhospital.com.au/hot-dog-grooming/>
